

Year 7 Catch-up Funding
2018 – 2019

This grant is for each year 7 pupil who does not make the expected level in the year 6 SATs exams in English, maths or both. None of the pupils at Fitzwaryn are entered for SATs and therefore we receive the full amount for each year 7 pupil. For 2018 – 2019 this amount was £6000.

The funding was spent on additional resources for mathematics, more reading books in line with the phonics stages and a selection of new library books to further promote a love of reading. The remainder has been spent on providing 1:1 targeted individualised support for pupils.

Year 7 pupils 2018 - 2019	Outstanding progress towards meeting target (UQ or above)	Good progress towards meeting target (Median or above)	Satisfactory progress towards meeting target (LQ or above)
English	50%	40%	10%
maths	80%	10%	10%

We expect to receive £4000 for 2019 – 2020. The grant will provide for staff training in maths mastery, phonics, reading and handwriting as well as targeted 1:1 intervention support.
