L1 - To identify 3D shapes

Key		
Clues	Name	Colour
no vertices, one curved surface		yellow
8 vertices, 12 edges the same length, 6 faces		orange
5 faces in total (4 faces are triangles and 1 is a square)		green
one apex, one circular face		red
8 vertices, 12 edges, 6 faces (2 square, 4 rectangular)		purple
no edges, no vertices and one curved surface		blue
