Dear Parents and Carers

We are very much looking forward to the return of more children and young people at school on Monday 8th March.

World Book Day was once again a success – the pupils and teachers had a great time engaging in book related activities in their costumes and pyjamas, I do hope that you had fun at home too!

Home Testing Kits – secondary school aged pupils only

Today we have been able to distribute home testing kits for our secondary aged pupils, in line with government advice. A letter was sent out yesterday regarding this to parents with children who fall into that age bracket only.

I know the teaching staff have been busy preparing to deliver lots of exciting learning over the coming weeks and months, your child's class teacher will be able to give you more details. As we are still in National Lockdown, we are restricted in delivering some aspects of the curriculum especially those that entail taking the pupils out into the community. We will of course keep this under close review and as soon as we can, we

will undertake further Risk Assessments and reopen those activities if we feel it is safe for our pupils and staff.

We have been informed by transport that the pupils will be back to the same routes and providers that they were on in September. If you have a query, we suggest that you check directly with the SEN transport department.

We are anticipating the car park at the beginning and the end of the day to be busier than it has been in recent weeks. Please can I ask that social distancing is always maintained and that parents who are dropping off and picking up wear a face mask at all times? Our current COVID19 Risk Assessment still stands and can be found on the website.

Parent Teacher Evening

Please send your reply slip back to school regarding the Parent Teacher Evening on 17th March. The deadline for a request to come into school is Friday 12th March.

If you have any queries regarding the content of this letter or indeed anything at all, please do not hesitate to get in touch via the school office
