Dear Parents/ Carers

I hope you have all managed to stay safe and well and have had a great Easter Break. The pupils have settled back into Pine class brilliantly!

Our topic for the term is 'Habitats'. We will be looking at different habitats around the world and animals that live in these habitats. Pupils will be learning about old and modern household objects as well as some of the great inventions in history. We will be also learning about key religious leaders in RE, relationships in PSHE and growing our own sunflowers. A Curriculum map is enclosed explaining in more detail what we will be covering in each subject.

Our topic after half term is 'The Seaside' and a curriculum map will be sent home after half term.

Mental health and wellbeing will continue to be at the forefront of our curriculum. We will be giving the pupils lots of opportunities to talk about their experiences and able to voice any anxieties or worries they may have, ensuring they feel understood and safe both physically and mentally.

Please also find enclosed a timetable for this term. We will still be doing PE on a Tuesday, so a PE kit will be needed. We are not cooking this term.

We will also start to send homework home in the coming weeks. This will include some maths and English work as well as a reading book if requested.

If you have any concerns or worries about your child, please feel free to ring at any time to speak to one of the class adults.

Many Thanks

Bethany Jane
