Dear Parents and Carers

I do hope that you all remain well.

Parents Evening

Don't forget to book a parents' evening appointment for Wednesday 9th June!

COVID update

The majority of staff have now had their second COVID vaccination which is great news!

Staff are continuing to take their twice weekly lateral flow tests and we encourage as many secondary aged pupils to do the same please including in holiday times.

A reminder - Please do not use the lateral flow tests if your child is showing symptoms of coronavirus; in these instances, you will need to book a PCR test online or request a PCR home testing kit from school. If someone in your household is showing symptoms, the whole household needs to isolate until the PCR test result comes back.

As you know we are at the stage of a further easing of national lockdown restrictions. New guidance has been issued to schools but there are very few recommendations that will affect the school and therefore the risk assessment remains virtually the same as before – you can access it on the website. I expect more guidance may be issued in June; I will update you when I know more.

Shakespeare for Schools Festival Workshop

Pupils in Willow, Pine and Rowan classes were treated to a Midsummer Night's Dream workshop on Thursday last week. All pupils (and staff) had great fun rehearsing and performing to each other!

Library Books

We are due to have the next batch of library books delivered on 11th June and will need to return all books that we are currently borrowing. So that we are allocated the full range of books in the next delivery, please can I ask that you return all books that your child may have at home before the end of this week. They can then be boxed up ready for collection.

Parent Feedback

Thank you so very much to everyone who took the time to fill in the recent parent survey; your views about how we can improve Fitzwaryn's provision for your children and others are so valuable to us. We were overwhelmed with the positive feedback we received, especially regarding the handling of the pandemic at school, thank you. I will be sure to share the results with the staff. As far as ensuring the school continues to improve, the Senior Leadership Team will analyse all comments and include any relevant recommendations into the School Development Plan for next year. If you have any further comments or would like to feedback to us on anything at all, you don't have to wait for a survey, please do not hesitate to get in touch via your child's class teacher or through the office email address.

Governor vacancies

Please read the letter that Julie Maberley, our Chair of Governors sent out regarding the governor vacancies we will have in September. If you would like more information, please do not hesitate to ask.

I hope that you all enjoy a good half term next week and look forward to the pupils returning on Monday 7th June.

With very best wishes

Stephanie Coneboy
Headteacher
