Dear Parents and Carers,

COVID-19 update

COVID-19 is still having an impact on the day-to-day organisation in school and unfortunately, we are managing staff shortages on a daily basis. We are trying our very best to deal with matters so that there is not a negative impact on the children's education; my hope is that we can get to the end of term without having to send any children home to isolate. I will of course keep you informed.

Please do not send your child to school if they are feeling at all unwell. We also need to be given a reason why your child is out of school, especially if it is related to COVID testing within the family.

Transition

So that we can go ahead with our transition plan, we will need to widen the 'bubbles' for pupils and staff, meaning that some pupils will be with different staff and children in their classes for the transition afternoons that are due to take place on 9th and 16th July. We will be keeping all other infection control measures in place right up until the end of term on 20th July.

Uniform

I have noticed that several pupils are arriving at school in clothes that are branded with 'Fortnite' and other online gaming logos. This clothing is completely unsuitable for pupils to wear at school and I ask that this does not continue with immediate effect. I aim to review the uniform policy in the new academic year.

Ice Cream Van

As you know we booked an ice cream van to come to school on Friday as a treat for all the pupils and staff. It was great to see the pupils practicing their communication skills when making their requests! The sun was shining and we all had a lovely time as you can see from the few photographs over the page!

Sports Day

The pupils will be taking part in a Sports event on Thursday this week, weather permitting. Unfortunately, we will not be able to invite parents to the event this year, but we will ensure we take lots of photographs for you to see!

Summer Holidays Reading and Writing Challenge

Miss Watkins, our English lead has put together a summer reading and writing challenge – details of it will be coming out later next week and you will be able to find it on the website once it is uploaded ready for the holidays!

End of Term

We have booked a marquee to go on the field where we intend to host a small celebration for our leavers. End of term assemblies for individual 'bubbles' will be held where we will be celebrating all the pupils' achievements this year.

Please do not hesitate to get in touch with the school office if you have any queries about your child at school.

With very best wishes
