7<sup>th</sup> January 2022

Dear Parents/Carers,

We hope you and your family are staying safe and well and had a great Christmas despite the challenges we continue to face! The pupils continue to cope with all the changes and transitions brilliantly.

Our topic for the term is 'Extreme Earth'. The pupils will have the opportunity to develop their knowledge and understanding of the world through learning about extreme weather and natural hazards in Geography. In English, the pupils will be exploring the narrative book 'Escape from Pompeii' where they will look in more detail at the setting and characters in the story. In Maths, the pupils will be developing their multiplication and division knowledge through learning their times tables and participating in hands on practical activities.

Please find enclosed our topic web for this term and our weekly timetable. The pupils will continue to take part in independent, social, and personal skills sessions. The aim of these sessions is to boost their independence and prepare them for adulthood. Their targets for this term will be going to the shops and/or post office within the local community, some of the pupils will be walking to the local shops/post office following a risk assessment, making video calls via teams or zoom and getting their belongings together. PE will be on a Tuesday morning. We ask that each pupil has their own PE kit in school consisting of a T-shirt, shorts and/or tracksuit bottoms, trainers and/or plimsolls and a jumper.

Homework will be set weekly with a particular focus on developing their Maths and/or English skills. This will be set on a Friday and be due in on the following Wednesday.

If you have any questions, concerns, or worries about your child, please feel free to ring at any time to speak to one of the class adults.

Many Thanks,  
Leanne Winsor Willow Class Teacher
