

Cinderella Pantomime

Senior School performed Cinderella.

We have practiced for our production since November last year and we were not able to perform our play as planned in December due to the Pandemic/Illness, so we performed it in February.

We all showed really good teamwork and cooperation during the rehearsals and the play itself. Some of us had main parts and learnt lots of lines, others were doing various roles such as set design, programme design, lights ETC.

The whole thing went well, looking at specifics, the singing, the terrible panto jokes and having the audience back again after a long time.

Everybody enjoyed the scene where Charlie/Gertrude had his/her hilariously fake leg. If you didn't see it, you sure missed out!!!
