Dear Parents and Carers,

I am absolutely delighted to be able to share the Ofsted report following the visit from inspectors on 18th and 19th May 2022.

You will read that the school remains **Outstanding** in all areas!

We are all exceptionally pleased and so very proud of the pupils who were absolutely remarkable during the inspection; they were so courteous to the inspection team and answered all questions with honesty and clarity. They told the inspection team that they were very happy at school.

I couldn't be prouder of the staff for working so very hard to achieve this result and would like to thank each and every one of them for all that they do each and every day, they are truly an amazing team! One staff member said to the inspector that they had a 'golden ticket' to be working at the school!

You will read: 'staff make skilful use of pupils' Education, Health and Care (EHC) plans when planning what pupils need to learn and how best to teach things. Staff adapt how they teach to suit each child. They make activities fun and often practical. They encourage pupils to recognise that everything they learn will help them to be as independent as possible in the future'

Thank you also to you as a parent body for your ongoing support of the school and your comments received on the parent view form; it is clear that you are very happy with the education your child is receiving as you can read in the report: 'Parents are full of praise for the school – as one said 'it does not get any better than the team at Fitzwaryn, they have been integral to the progress my child is making'

Please be assured that we will not be resting on our laurels following this report – there is always much to be done in our continual drive to make Fitzwaryn an even better place to learn! We are currently drawing up our School Development

priorities for next year and once we have those in place, I will let you know where our focus will be.

I would like to add my thanks to all of my fellow governors (past and present), our wonderful staff and most importantly to the pupils and families who make this all worthwhile. Congratulations everyone! **Julie Mabblerley, Chair of Governors**

It is fantastic news that, once again, Fitzwaryn has been judged as an outstanding school. This is a reflection of all the hard work, dedication and skill of all the staff and the wonderful contributions of its pupils. All of us at Propeller Trust are thrilled and proud to have Fitzwaryn blazing a trail of excellence. **Tom Pegler, CEO of The Propeller Academy Trust**

'As Chair of the Trust, I am delighted to read this report; it is a fabulous reflection of Fitzwaryn School and all that it stands for. The pupils showed their love of learning through their hard work, enthusiasm and full enjoyment of their time in school and are a real credit to their families and the staff at Fitzwaryn School. The hard work and determination of every adult in the school, dedicated to ensuring that every pupil achieves their best, shone through the report which I felt captured the true spirit of Fitzwaryn School and its aspirations for all pupils. Congratulations to everyone, this fantastic achievement is fully deserved.' **Jane Edwards, Chair of Trustees, Propeller Academy Trust**

The report will be uploaded to our website and will be on the Ofsted website within the next 8 days.

If you have any queries about your child at school, as always, please do not hesitate to ask!

In the meantime, please enjoy reading the report!

Best wishes
