

PE and Sports Funding 2021-2022

The PE and Sports Premium funding gives schools funding to support additional and sustainable improvements to the provision of PE and sport, for the benefit of primary aged pupils, to encourage the development of health active lifestyles.

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

The total PE and Sports premium received for the year is £16,500.

How we use the PE and Sports Premium

Whilst the PE and Sports premium funding is specifically targeted at primary pupils, we appreciate that enhancing the resources and activities available will have a positive impact across the age groups in our school. By spending the PE and sports premium funding wisely we have ensured that every child has benefited from the impact of this additional funding.

The focus of work for 2021-2022 has been spent on resources (aimed at extending the range of activities offered and to facilitate extra-curricular activities) and specialist coaching.

Part A: Swimming Data

Meeting national curriculum requirements for swimming and water safety.

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters?	0%
What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?	0%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	0%
School can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Part B: Key Indicators

Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school		
Intent To update PE equipment enabling all pupils to engage within sessions and allow for multiple sessions to run concurrently.		
Implementation	Impact	Funding
All pupils have access to high quality PE lessons delivered by school staff.	Pupils are more engaged in the activities and develop skills which will provide better opportunities to access clubs outside school in the future.	Within school budget
