Dear Parents,

I hope that you are well and enjoyed the half term break.

This week we welcomed back a small number of children and they have had lots of fun!

The staff have also been very busy getting the school ready for the opening to more children next week. I know that there is lots of fun being planned for the children both at school and for those of you still at home! More details to follow.

We have had it confirmed that a family member of one of the pupils who has been in school this week has been confirmed as positive for COVID 19. This family member does not live with the pupil. The pupil has not shown any symptoms. However, the family has been asked to self-isolate for 14 days.

I have therefore taken the precautionary measure to close the school to all staff and pupils for the rest of the week so that thorough cleaning can take place.

If your child has been in school this week and they begin to show symptoms, please seek advice and request a test.

At the moment, I am planning to open as I had planned to on Monday to more children. I will be in touch again on Friday to let you know arrangements for next week.

To reiterate – there has been no one in school this week showing symptoms, or who has tested positive for COVID – 19.

With best wishes

Stephanie Coneboy
Headteacher
