5<sup>th</sup> June 2020

Dear Parent and Carers

I hope that you are all well.

As you know I took the difficult decision to close the school as a precautionary measure for two days this week. My decisions now and going forward will always have the health and well-being of our pupils, their families and our staff at the heart.

I am now delighted to say that we will be back to being fully operational on Monday 8<sup>th</sup> June and we are very much looking forward to welcoming more children back to school.

You will today receive two letters from me; this one that outlines general information and another one that contains information you will need for your child's return to school. I am sending the information to everyone so that you have it all.

Please be mindful that only those children whose parents have been contacted with an offer of a place can be accommodated on Monday 8<sup>th</sup> June – do not send your child to school if you have not received a letter from me to confirm a place. We need at least a week's notice and at least two week's notice if transport is to be arranged. Please be reassured that any requests for places are being considered and I will respond to you in due course.

The teaching staff have been working really hard to plan some exciting and fun activities for those children who are at home as well as those who are returning to school. They will be in touch to let you know more details. We will be creating a space for each group to celebrate their work whether at home or at school so look out for that!

We are recreating some of the events that we were planning to have in school this term. From 22<sup>nd</sup> – 25<sup>th</sup> June it will be British Values week. On 9<sup>th</sup> July we will be having a Spanish Day to cover our Modern Foreign Languages day and then of course it will be Sports Day (with virtual elements of course!) more details to follow.

Please take a look at the website as we have added in a 'signing' page where you will find our sign of the week plus key signs to learn – lots of fun for the whole family!

We usually have the last parent teacher meeting of the year in June, but this year we will need to cancel the event. You will however be receiving your child's end of year report as usual. You should be in regular contact with your child's teacher so any queries can be raised with them in the first instance.

Thank you for your ongoing support for the school, your kind messages have been very much appreciated.

Best wishes
