19th June 2020

Dear Parents/Carers

This week has been rather different once again – this time not because of a virus but due to a problem with the water supply affecting the local area!

I do hope that the issues will be resolved over the weekend and that we can re-open on Monday!

Assume that we are open and if there are any changes to this plan, I will post a message on the front of the website.

Some of you, I know are considering whether to send your child back to school for a part time place this side of the summer holidays.

So that we can plan effectively, the cut-off date for all requests is at the end of the day on Wednesday 24th June. If a place is then agreed, it is likely that your child may only have a limited amount of time at school before term ends on 17th July. We will unfortunately not be able to consider any requests for a return to school in Term 6 after the cut-off date.

I am eagerly awaiting further announcements from the government regarding a return to school in September. Please be reassured that we are busy planning for different scenarios and I will release information once I know more of the detail – I am sorry that I cannot be more certain at the moment. Thank you once again for your patience and understanding.

Do keep looking at the website under the home learning section as this is being updated regularly.

In the meantime, I hope that you all have a lovely weekend and fingers crossed for a more settled week at school next week!

With best wishes

Stephanie Coneboy
Headteacher
