26th June 2020

Dear Parents/Carers

As you know the heat this week has been a factor for us all – I do hope that it has not affected you too much and that everyone has been able to get some sleep.

Following my letter last week, I am delighted to say that we have more children returning before the end of term, I am really looking forward to welcoming them back to school!

I am still awaiting further guidelines from the government regarding a return to school in September. I know some of you have raised queries with your child's class teacher during your weekly catch up calls. Please be reassured that the Senior Leadership Team is busy planning for different scenarios and I will release information once I know more of the detail – I am really sorry that I cannot be more certain at this moment in time. Thank you once again for your patience and understanding.

It would be useful at this point to know if any of you would be affected by the current Quarantine regulations should you be travelling abroad over the summer holidays, especially if it means that your child will miss any schooling in September. Government guidelines are being reviewed.

Please ensure that your contact details are up to date on the school's admin system. We have had a few occasions when we have tried to ring parents and we have been unable to connect with any of the numbers that we have listed. We have also sent emails that have bounced back and have had to eventually send letters out. It is essential that we have the right details at all times – please contact the school office if you need to check that your details are correct.

I recognise that this time has brought extra pressures to some families which may include uncertainties around employment. If your circumstances have changed and you now find that your child may be entitled to Free School Meals, please get in touch with the office and we can investigate this for you.

We are working on the Free School Meal Voucher Scheme for the summer holidays; those of you who are eligible will receive more details in due course.

There have been some lovely activities going on in school this week for British Values week and I hope to share some of this on the website very soon.

The children who are at home have been working hard on their home learning tasks too; thank you for supporting with these and also for the lovely feedback we are getting about what we are providing for your child at home. We are working hard to develop this aspect of the school offer, so your feedback is greatly appreciated.

Zoom calls are still very popular as is the virtual choir!

July 9th is our Spanish Day – we will send out more details in due course of how you can all be involved!

I hope that you all have a good weekend.

With best wishes

Stephanie Coneboy
