Dear Parents and Carers

I am so delighted to see so many happy smiling children back at school this week! We welcomed three new pupils who seemed to settle in very well to life at Fitzwaryn. We look forward to welcoming a few more children in the coming weeks.

The staff have been working hard, preparing for all the children returning and it was great to see that so far, our plans and procedures are working as planned.

As always, if you have any feedback for us, please do not hesitate to speak to one of the Senior Leadership Team and they will be happy to help you.

As a reminder, or for those who are new to the school, the Senior Leadership Team consists of: Headteacher – Stephanie Coneboy, Deputy Headteacher - Jane Edwards, Assistant Headteacher – Chris Slatter, Head of Transition and Accreditation – Rebecca Broomfield, Head of Continuing Professional Development – Tracy Gardiner, Chief Operations Officer for the Propeller Academy Trust – Tracey Stratton.

Thank you!

Once again, as a parent body you were so generous with your end of term gifts and your kind words in July. On behalf of all the staff, thank you!

Facebook page

The 'Keeping Fitzwaryn Strong' Facebook page has been very popular over the holidays and having received such positive comments from you, it is my intention to keep it going; keep posting and supporting each other through the coming weeks and months.

Class Information

You child's teacher will be sending out a class letter to you soon outlining class specific information that you will need for Term 1. I know there is very exciting learning being planned! I will also post the letters on the website for ease of reference.

### Snacks and Milk

For those children who are eligible for school milk, we continue to receive deliveries.

I am afraid that the fruit snacks have not returned to their normal school deliveries yet, I will let you know if this situation changes. For now, please send a piece of fruit into school so your child can have a morning snack.

### Hand sanitiser

Please do not send individual bottles of hand sanitiser in to be kept in your child's school bag to use throughout the day – as these contain a degree of alcohol, they would need to be locked away, they cannot be kept safe in school. We do have mobile hand sanitisers for use, and we are ensuring that the pupils all wash their hands regularly throughout the day.

If you do not wish for your child to use the school's sanitiser for any reason, please let your child's class teacher know.

The Risk Assessment can be found on the website should you need to refer to it. I will let you know of any updates.

### Medical information

Paracetamol – we can only administer it if you supply it – we do not hold stocks of it in school. Natalie and Sarah can be contacted at school should you wish to speak to one of our Nurses.

The term dates for the school year are on the website including dates of the INSET days – please take a look.

A reminder that the school will be closed to pupils on Monday 5<sup>th</sup> October for a teacher training day.

I will keep you posted as frequently as I can but, in the meantime, if you have any queries, please do not hesitate to get in touch.

Best wishes
