Dear Parents/Carers

I have to say that the pupils have made an excellent start to being back at school! They have adapted to our new routines and procedures really well and it is a joy to see them looking so happy to be back amongst their friends and with staff they know well.

It has also helped that the sun has been shining this week so that lots of learning could take place outside – long may that continue!

Illness in School

Please can I ask that you do not send your child in if they are unwell? We have had to send several children back home this week because they have been too unwell to be in school. As you can imagine, the current situation dealing with a global pandemic is challenging to manage within a school and therefore we are unable to deal with sick children.

I would also like to request that you provide the school with an accurate picture of the reasons why your child is off school – please do not send messages via transport as messages can get lost in translation.

Unfortunately, for confidentiality reasons, we are unable to let parents know of any conditions that other children and families may have. Should it be necessary, we will liaise with the DfE and Public Health England and follow their guidance for the sharing of any information.

You may like to read the following government guidelines should any member of your household show symptoms of COVID 19:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

If you require paper copies of the document or help to interpret the information for your family, please request this via the school office.

Registered Office: Fitzwaryn School, Denchworth Road, Wantage, Oxon OX12 9ET
Tel: 01235 764504 **Website:** www.pract.org.uk
Corporation Registration No. 8340120

Drop Off and Pick Up procedures are working well; please can I remind you not to gather or walk on/off site in groups as that will help with the social distancing?

Coffee Morning

We are all really looking forward to the Macmillan Coffee morning next Friday – I know that the students in the Student Centre are working extremely hard in the kitchen!

Sixth Form

The current Year 12s have made some excellent transition visits to their new class in the sixth form and they are eager to make a start with their new classmates and staff on Monday 21st September.

Once again, I would like to thank you for your continued support for the school and of each other.

Let's hope the sun keeps shining at the weekend so we can all get out and about safely.

Best wishes

Stephanie Coneboy
