Dear Parents/Carers

I am delighted to say that the COVID test results we were waiting for have returned negative and we are able to welcome some children who had been away from school back for part of the day today – it is great to see them!

Thank you to everyone who has been so very supportive of the decisions made this week and of the school in general – we have received such lovely messages from you, so thank you!

For those of you who missed a parents evening appointment, we will make sure we catch up with you to make an appointment next term.

Autumn Term 1 has gone by in a flash! And no doubt Term 2 will be exactly the same!

There is a definite air of excitement in the school as some pupils will be moving to new classes, whilst some will be welcoming new children to join them in their existing classrooms. I am sure that the transition will go well; the teachers have worked hard to ensure any change is smooth as it can be, without breaking the bubbles!

It is now more than likely that we will be planning for an alternative Fitzwaryn Christmas! The staff are beginning to come up with creative ideas so once we have put a plan together, I will let you know!

Next term, it is the intention to get Friends of Fitzwaryn together over Zoom to see if there is anything we can do on the fundraising side. The bikes and trikes are so popular, I would like to see if we can raise more funds to purchase some more specialised bikes. Once I have a date in the diary, I will send an invitation out to everyone. In the meantime, get your thinking caps on!
