IMPORTANT INFORMATION REGARDING COVID 19

Dear Parents and Carers

Thank you to those of you who are wearing face coverings while on school site. For those of you who are bringing your child in by car, please can I ask that you wear a face covering if you get out of your car into the car park.

I also need to request if anyone in your household or in your support bubble is symptomatic or has been sent for a COVID test that you do not send your child into school until test results have returned negative.

I have also been advised that there are children/families mixing with other children/families when not in school. This is strictly against government guidelines under the new restrictions for Lockdown2. I would encourage you to use virtual platforms to keep connected.

We are trying our very best at school to keep everyone safe and therefore I ask you to adhere to the guidelines.

If you need clarification or need to speak to a member of the Senior Leadership Team about any of the above, or in fact any matter related to school, please do not hesitate to get in contact via the school office.

Best wishes

Stephanie Coneboy
