

Monday 4th January 2021

Dear Parents and Carers

Good evening.

We are sure, like us you have been watching the latest announcements from the government regarding the new national lockdown that is starting imminently.

The Prime Minister did not mention Special Schools specifically and we have not had guidance issued to us as yet.

In consultation with Senior Leadership Teams across The Propeller Academy Trust, a decision has been made to keep both schools closed on **Tuesday 5th January** to staff and pupils to allow essential planning to take place.

As we stated in our earlier letter today, both schools are suffering from staff shortages presently meaning that our Risk Assessments will need to be re visited to ensure that whatever we are able to offer can be done in the safest possible way.

A further announcement will be made by the individual Headteachers regarding plans for each of the schools before the end of the school day tomorrow.

Yours faithfully
