

Fitzwaryn School  
Community Audit

Original document created March 2014, updated September 2016, January 2018, September 2018 and January 2019

Ofsted 2014: 'The promotion of pupils' personal development is outstanding, through the positive support that they receive and the exciting activities they experience. Very effective provision for the spiritual, moral, social and cultural development of pupils includes excellent quality links with other schools. Students gain a wide range of qualifications and benefit from some excellent vocational opportunities. Activities, such as a performance of Hamlet at the 'Shakespeare for Schools Festival' help to promote pupils' outstanding behaviour exceptionally well'
