

English – To be completed throughout the week

Reading –

Please try and do some reading every day. You can either practice reading to an adult, or you can listen to an adult read to you. Here are some resources for you:

Oxford Owl - <https://home.oxfordowl.co.uk/reading/free-ebooks/> (search for your book band on the website, which you will find in the e-mail sent by your teacher)

Phonics Play - <https://www.phonicsplay.co.uk/>

Fitzwaryn Online School Library – <https://fitzwaryn.eplatform.co>

You can record the books you have read using the reading record sheet that is on the website.

Writing –

Watch this video again: [Cloudy lesson – THE LITERACY SHED](#)

Download the “Cloudy lesson Week 4” sheet from the Fitzwaryn Website. I would like you to create either a written or oral weather report, including details of some rather strangely shaped clouds! If you decide to do it orally, please can an adult take some pictures, or record you doing it! Watch some weather reports on YouTube, so you understand what sort of language you should be using! Good luck!

Communication –

This is going to link to your weather report. Whether you have decided to do an oral report or you have written it, I would like you to present it to your family members. Focus on these things:

- Clear speech
- Volume
- Confidence
- Expression

I really hope you have a good week, and take lots of pictures if you can! We would love you to send them in via the school office so we can see the work you have been up to!
