

Extension

Trace and write the letters.

Tracing practice for the letter 'k'. The first row shows six 'k's on handwriting lines. The first 'k' is solid with stroke order arrows. The second is dashed for tracing. The next four are solid. Below this is a row of six dots on the top line of handwriting lines, with a downward arrow on the first dot, indicating where to start writing the letter.

Finish the words. Colour the pictures.
